STATE OF WISCONSIN
BEFORE THE MEDICAL EXAMINING BOARD

IN THE MATTER OF
DISCIPLINARY PROCEEDINGS AGAINST

PETER W. GOY, M.D.,

Respondent

ORDER GRANTING PETITION

On October 22, 1997, the Medical Examining Board issued its Final Decision and Order in the above-captioned matter. By the terms of the board's order, respondent's license to practice medicine and surgery in Wisconsin was suspended for a period of not less than five years, with provision for consecutive three month stays of the suspension contingent upon compliance with a number of conditions and limitations on the license. Among other conditions, Dr. Goy was required to enroll and successfully participate in a drug and alcohol treatment program satisfactory to the board, including participation in individual or group therapy on at least a weekly basis; to participate in AA or NA meetings at least once per week; to submit to drug and alcohol screens on a twice-weekly basis; to be responsible for submission of quarterly practice and therapy reports; and to participate in continuing education in prescribing controlled substances and in record-keeping.

Pursuant to the board's Order, Dr. Goy appeared before the board at its meeting of January 22, 1998, in support of his request for a further three month stay of the suspension. The board considered the request on that date, and granted the stay.

The board considered Dr. Goy's request for a further stay at its meeting of April 22, 1998, and granted the request by its Order dated May 6, 1998.

The board considered Dr. Goy's request for a further stay at its meeting of July 23, 1998, and granted the stay by its Order dated August 3, 1998.

By letter dated August 14, 1998, Dr. Goy requested a further extension of the stay of suspension, and requested as well that the number of required urine screens be reduced to one per week. That request was supported by Dr. Benzer. The board considered the requests at its meeting of October 21, 1998.

Based upon Dr. Goy's request, and upon all other information of record herein, the board orders as follows:

ORDER

NOW, THEREFORE, IT IS ORDERED that the stay of the suspension of the license of Peter W. Goy, M.D. is extended for an additional period of three months.

IT IS FURTHER ORDERED that the request of Dr. Goy for a reduction in the number of required drug and alcohol screens from two per week to one per week is granted.

Dated this 28th day of October, 1998.
